EFFICIENCY

An aerial, high-angle photograph of a large stadium, likely during a game or event. The seating bowl is filled with spectators, and the field is visible at the bottom. The text "ON-TIME" is overlaid in large, white, bold, sans-serif capital letters across the center of the image. The stadium's structure, including the roof and support beams, is visible on the right side.

ON-TIME

A polar bear is shown standing on a large, irregular piece of ice that floats in the middle of a dark blue, rippling ocean. The bear is facing slightly to the left of the frame, looking upwards. The entire scene is overlaid with a semi-transparent dark blue filter. In the center of the image, the words "Tailored to" and "Citizen" are written in a large, bold, white sans-serif font, stacked vertically.

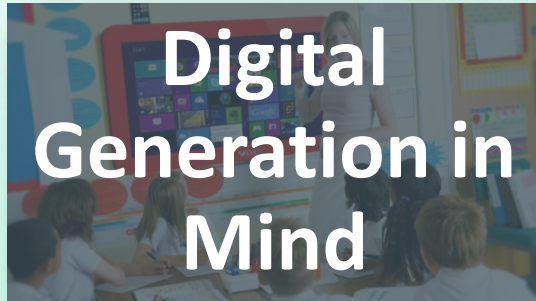

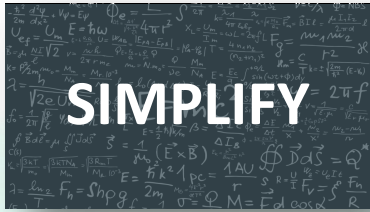

Tailored to Citizen

A teacher is standing in a classroom, pointing at a large digital screen that displays a Windows-style interface with various application tiles. In the foreground, several students are seated at desks, looking towards the screen. The scene is overlaid with a semi-transparent dark blue filter.
